

Investing for Success

Under this agreement for 2022
Moore Park Beach State School will receive

\$103,390*

This funding will be used to

- Build teacher capacity to ensure the implementation of CARP (Curriculum and Assessment Reporting Program).
- Embed the pedagogical approach of Positive Behaviour for Learning.
- Ensure Health, Safety and Wellbeing is prioritised at Moore Park Beach State School for students, staff and the school community.

Our initiatives include

- Support the maintenance of our Head of Department - Curriculum position to continue a whole school approach to curriculum development, implementation, assessment and reporting.
- Support the purchase of an additional teacher, Prep to Year 4, to implement The Arts curriculum, support teacher release time for Positive Behaviour for Learning Coach and Health and Safety Coordinator.
- Build knowledge and understanding of the Health and Physical Education Learning Area to promote wellbeing across student, staff and the school community.

Our school will improve student outcomes by

Purchase staff (0.4 FTE fractional teaching entitlement) to support the release of teachers Prep - Year 4 to access planning time with the Head of Department - Curriculum and to release teachers to work on our Positive Behaviour for Learning and our Health and Safety and Wellbeing initiatives.	4,798
Purchase staff (1.0 FTE fractional teaching entitlement) to support the release teachers and to give them planning time.	98,592
TOTAL	\$103,390
